

Forever Forward Coaching

Brand Style Guide

Brand Mission

Forever Forward Coaching exists to help individuals build strength, discipline, and purpose through physical training and personal transformation. The brand represents resilience, personal responsibility, and rising from adversity stronger than before.

Brand Values

- Resilience – adversity builds strength
- Discipline – consistency over motivation
- Purpose – physical training as a path to a better life
- Leadership – inspiring others to believe in themselves
- Transformation – the Phoenix rising from the ashes

Brand Personality

The Forever Forward brand should feel powerful, disciplined, and inspirational. It combines the energy of elite athletic training with the narrative of personal rebirth and resilience.

Tone of Voice

- Confident but not arrogant
- Motivational but grounded
- Direct and disciplined
- Purpose-driven and authentic

Color Palette

Color	Hex Code	Usage

Typography

Headline Font Options

- Cinzel – classical, heroic, Roman warrior aesthetic
- Bebas Neue – bold, strong, athletic

Body Font Options

- Montserrat – modern and clean
- Inter – highly readable digital font

Imagery Style

- High contrast cinematic lighting
- Black or dark gym environments
- Heavy lifts, chalk, intensity
- Minimal filters or over-editing
- Images should communicate strength and discipline

Symbolism & Visual Motifs

- Phoenix – transformation and rebirth
- Spartan/warrior aesthetic – discipline and strength
- Shield or sword iconography used sparingly
- Subtle phoenix watermark in backgrounds

Website Aesthetic Direction

The website should feel cinematic, modern, and disciplined. A dark background with gold accents creates a premium training environment. Sections should alternate between charcoal and steel gray to create visual rhythm.

Core Brand Messaging

- Build Strength. Forge Discipline. Become Unstoppable.
- Rise From The Ashes.
- Discipline Creates Freedom.
- Move Forever Forward.

Design Principles

- Minimalist but powerful layout
- Strong photography leading the visual identity
- Clear calls-to-action on every page
- Consistent use of accent color for key buttons
- Mobile-first responsive design
