

Forever Forward Coaching – Website Launch Roadmap

Goal of the Website

Primary objectives: Generate consultation bookings, sell training sessions, sell the military prep course, and allow speaking engagement inquiries. The main conversion action is booking a free consultation.

Phase 1 — Core Infrastructure

- Domain: foreverforwardcoaching.com (Hostinger hosting)
- Payment processor: Stripe (for training sessions, packages, and military prep course)
- Scheduling system: Calendly (for consultations and training session bookings)
- Calendar sync: Google Calendar integration with Calendly
- Stripe checkout buttons embedded on service pages

Phase 2 — Website Structure

Main navigation:

- Home
- About
- Training
- Military Prep
- Speaking
- Book Consultation

Homepage Purpose

- Hero section with tagline and consultation button
- Short version of Jacob's transformation story
- Overview of services
- Primary call to action: Book Free Consultation

Training Page

- Explain personal training services
- List package options (single session, 4-session package, 8-session package)
- Include booking button connected to Calendly + Stripe

Military Prep Page

- Target audience: military recruits, ROTC, police/fire candidates
- 6■week preparation program
- Focus areas: PT tests, endurance, calisthenics, strength
- Call■to■action: Enroll Now (Stripe checkout)

Speaking Page

- Topics: resilience, discipline, veteran mental health, transformation
- Audience: colleges, gyms, veteran organizations
- Call■to■action: Request Speaking Engagement (contact form)

Phase 3 — Integrations

- Stripe – payment processing and checkout pages
- Calendly – scheduling and automated reminders
- Optional email capture (Mailchimp / ConvertKit)

Phase 4 — Branding Elements

- Forever Forward logo
- Phoenix■inspired visual theme
- Strong, minimalist aesthetic
- Dark / powerful color palette

Phase 5 — Launch Checklist

- Stripe payment test completed
- Calendly scheduling tested
- Mobile responsiveness verified
- Contact forms working
- SSL enabled

Future Expansion

- Online coaching programs
- Client portal
- Workout app integration
- Merch store
- Video course platform
